Information about our cookie policy
Please read this cookie policy carefully before using our website. The Cookie Policy ("Policy") describes how we, Platformd International Limited, and our affiliates use cookies and similar technologies on our website and Managed Service (collectively and from time to time, as well as any website is connecting to) (the "Site").

What is a cookie?
A cookie is a small file that is placed on your computer or mobile device by a website's server. Such cookies is unique to your web browser. It will contain some anonymous information such as a unique identifier, the website domain name, and some dates and numbers.

Cookies allow us to distinguish us from other users of our website and remember your preferences to give you a better experience while browsing our site. They also provide us with the information we need to keep improving our website.

What types of cookies do we use?
We use of cookies on our and third parties and fall under two general categories: strictly necessary and optional. This means that when cookies are place when you visit our website or services will depend on your choice.

Some cookies are deleted once you close your internet browser ("session cookies"). "Persistent cookies" on the other hand stay on your browser for a longer period and are not deleted once you close it. So, for example, a cookie may record information your language of choice.

Strictly necessary cookies
These cookies are strictly necessary to provide you with the services you have expressly requested. These are cookies that are required for the operation of our Service and websites and use of their features, such as access to secure areas. Without these cookies, we cannot provide you with the services you have requested. For example, we use cookies to remember your log-in details and your preferences so that we can process transactions in which you place items into your shopping cart. We use these cookies for short-term personal data. We use these cookies for the purposes described above in relation to our legitimate interests to ensure the proper technical functioning of our service, or for our obligations and services and to provide you with the services you have expressly requested.

Functionality cookies
These cookies are optional and are used to remember the choices you have made for example, the country you visit our website from, your language and any changes you have made to the size and other parts of our website. We use these cookies to improve your experience and to make your visits more enjoyable and useful. If you do not allow these cookies, we will not know when a returning visitor to our site, and will not able to maintain the personalized.

Cookies details
Persistent or session cookies
Most cookies are optional and are used to collect information on how visitors use our website. For example, which pages they visit most often, whether they receive error messages, and how their visit affects our site. We use this information to improve our website and services, evaluate how our website is used, and to diagnose problems with our server. We also use cookies to remember your choices, such as your language or region, and provide enhanced, more personal features. Cookies also help us to measure the effectiveness of our advertising campaigns and gather demographic information. We may also use these cookies, and we will not know when a returning visitor to our site, and will not able to maintain the personalized.

How to delete cookies?
If you want to restrict or block the cookies that are set by our website, you can do so through your browser settings. Alternatively, you can visit www.internetcookies.com, which contains comprehensive information on how to do this on a wide variety of browsers and devices. You will find general information about cookies and details on how to delete cookies from your device.

Changes to our cookie policy
We may change or update this Disclosure from time to time. When we do, we will post the revised Disclosure on this page with a new "Last updated" date.

If you have any questions about this policy or our use of cookies, please contact info@platformd.com

Privacy Policy
Last updated: September 11, 2021

This Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

We use Your Personal data to provide and improve the Service. By using the Service, You agree to the collection and use of information in accordance with this Privacy Policy.

Interpretation and Definitions
Interpretation
The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions
For the purposes of this Privacy Policy:

Account means a unique account created for You to access our Service or parts of our Service.
Affiliate means an entity that controls, is controlled by or is under common control with a party, where "control" means ownership of 50% or more of the shares, equity interest or other securities entitled to vote for election of directors or other managing authority.
Business, refers to Platformd, the company that hosts Platformd.com and the Service.
Company (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to Platformd International Limited, 5600 Kelly Avenue, Suite 100, Ste. 1B, Hollywood, CA 90028.
Cookies are small files that are placed on Your computer, mobile device or any other device by a website, containing the details of Your browsing history on that website among its many uses.
Country refers to: United States
Data Controller, for the purposes of the GDPR (General Data Protection Regulation), refers to the Company as the legal person which alone or jointly with others determines the purposes and means of the processing of Personal Data. For the purpose of this Privacy Policy, we are a Data Controller of Your Personal Data.
Device means any device that can access the Service such as a computer, a cellphone or a digital tablet.
Personal Data is any information that relates to an identified or identifiable individual.
For the purposes for GDPR, Personal Data means any information relating to You such as a name, an identification number, location data, online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity.
For the purposes of the CCPA (California Consumer Privacy Act), Personal Data means any information that identifies, relates to, describes or is capable of being associated with, or could reasonably be linked, directly or indirectly, with You.
Service refers to the Website.
Service Provider means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service or to assist the Company in analyzing how the Service is used.
Third-party Social Media Service refers to any website or any social network website through which a User can log in or create an account to use the Service.
Usage Data refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).
You means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data
Types of Data Collected
Personal Data
While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or identify You. Personally identifiable information may include, but is not limited to:
Usage Data
Usage Data
Usage Data is collected automatically when using the Service.
Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.
When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.
We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

Tracking Technologies and Cookies
We use Cookies and similar tracking technologies to track the activity on Our Service and store certain information. Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze Our Service.
You can instruct Your browser to refuse all Cookies or to indicate when a Cookie is being sent. However, if You do not accept Cookies, You may not be able to use some parts of our Service.
Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on your personal computer or mobile device when You go offline, while Session Cookies are deleted as soon as You close your web browser. Learn more about cookies: All About Cookies.
We use both session and persistent Cookies for the purposes set out below:
Necessary / Essential Cookies
Type: Session Cookies
Administered by: Us
Purpose: These cookies are essential to provide You with services available through the Website and to enable You to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these cookies, the services that You have asked for cannot be provided, and We only use these Cookies to provide You with those services.
Cookies Policy / Notice Acceptance Cookies
Type: Persistent Cookies
Administered by: Us
Purpose: These Cookies identify if users have accepted the use of cookies on the Website.
Functionality Cookies
Type: Persistent Cookies
Administered by: Us
Purpose: These Cookies allow us to remember choices You make when You use the Website, such as remembering your login details or language preference. The purpose of these Cookies is to provide You with a more personal experience and to avoid You having to re-enter your preferences every time You use the Website.
For more information about the cookies we use and your choices regarding cookies please visit our Cookies Policy or the section of our Privacy Policy.

Use of Your Personal Data
The Company may use Personal Data for the following purposes:
To provide and maintain our Service, including to monitor the usage of our Service.
For the performance of a contract: the development, compliance and undertaking of the purchase contract for the products, items or services You have purchased or of any other contract with Us through the Service.
To contact You: To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or services contracted by You or Your access to the Service, as the case may be.
To provide You with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.
To manage Your requests: To attend and manage Your requests to Us.
We may disclose your personal information in the following situations:
With Service Providers: We may share Your personal information with Service Providers to monitor and analyze the use of our Service, to contact You.
For business transfers: We may share or transfer Your personal information in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of our business to another company.
With Affiliates: We may share Your information with Our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include Our parent company and any other subsidiaries, joint venture partners or other companies that We control or that are under common control with Us.
With business partners: We may share Your information with Our business partners to offer You certain products, services or promotions.
With other users: when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside. If You interact with other users or register through a Third-Party Social Media Service, Your contacts on the Third-Party Social Media Service may see Your name, profile, pictures and description of Your activity. Similarly, other users will be able to view descriptions of Your activity, communicate with You and view Your profile.

Retention of Your Personal Data
The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.
The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer periods of time.

The Company may retain your Personal Data for an unlimited period of time as long as necessary under applicable data protection laws, such as GDPR. You may at any time request the Company to delete Your Personal Data by sending an email to info@platformd.com requesting the deletion of Your Personal Data. In addition, You may request to unsubscribe from communications by clicking on the unsubscribe link in the emails We send You or by contacting us.

Transfer of Your Personal Data
Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other jurisdiction where the data protection laws may differ than those from Your jurisdiction.
Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.
The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Disclosure of Your Personal Data
Business Transactions
If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred.
Law enforcement
Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).
Other legal requirements
The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:
Comply with a legal obligation
Protect and defend the rights or property of the Company
Prevent or investigate possible wrongdoing in connection with the Service
Protect the personal safety of Users of the Service or the public
Protect against legal liability

Security of Your Personal Data
The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

Links to Other Websites
Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit.
We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to this Privacy Policy
We may update our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.
We will let You know via email and/or a prominent notice on Our Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.
You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

PRIVACY POLICY

Last Updated : Nov 07, 2023

Information about our use of cookies
This Cookies Policy ("Policy") describes how we, stitcher agency, LLC and our affiliates use cookies and similar technologies on our website and through our online services and how to contact us with any questions concerning this Policy.

At the moment, this Policy applies only to our websites through which STITCHER AGENCY (collectively, the "Services") are made available.

You can manage your consent preferences to accept or reject the use of various categories of cookies, which are not strictly necessary, through our . If you disable cookies and similar technologies, however, some features may not work as intended.

What are cookies and similar technologies?
A cookie is a small piece of data (text file) that websites that you visit ask your browser to store on your device (such as your computer or smartphone) in order to remember information about you, your preferences (such as your language of choice) or your device information, when you return to it. "Similar technologies" falling under the generic term "cookies" also include local objects (sometimes called flash cookies), web beacons, pixels, browser fingerprinting technologies or any technology that stores or accesses information on the user's device. The information does not usually allow us to identify you, but it can offer you a better user experience when visiting websites (including ours).

What cookies do we use?
The types of cookies we use are listed below and fall under two general categories: strictly necessary and optional. This means that what cookies we place when you visit our website or services will depend on your choices.
We use both first party and third party cookies. Any cookies that are set by the website or services that you are visiting are called first party cookies, while any cookies which are from a domain other than the domain of the website you are visiting are called third party cookies. Such third party cookies are placed by someone other than us. A list of third party organizations and their respective cookies and processing purposes can be found below.

Some cookies are deleted once you close your internet browser ("session cookies"). "Persistent cookies" on the other hand stay on your browser for a longer period and are not deleted once you close it. So, for example, a website you revisit remembers your language of choice. The tables below contain details on the lifespan of the cookies we use.

Strictly Necessary Cookies
These cookies are strictly necessary to provide you with the services you have expressly requested (i.e. if these cookies re disabled, Stitcher Agency will not be able to provide you with the services you have expressly requested). These are cookies that are required for the operation of our Services and websites and use of their features, and therefore cannot be switched off in our systems. The information collected relates to the operation of our website and enables us to provide you with the service you have requested. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store your personal data. The use of these cookies for the purposes described above is based on our legitimate interest to ensure the proper technical functioning of, access to, and services to provide you.

and products you have expressly requested.

Analytical / Performance Cookies
These cookies are optional and are used to collect information on how visitors use our website: for example, which pages they visit most often; whether they receive any error messages; and how they arrived at our website. Information collected by these cookies is used only to improve the use of our website by our visitors. These cookies are sometimes placed by third party providers of web traffic and analysis services. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies, we will not know when people have visited our site, and will not be able to monitor its performance.

However, please note that, even if you disable the Google Analytics cookies listed below, we will still have access to certain data points (such as clientIP, host, userAgent, acceptLanguage, and week) whose collection does not depend on the use of cookies. We will aggregate and anonymize such data points, and we will use such data points for the sole purpose of improving our website functions.
